

REMARKS

This response amends claims 14 - 23, 26 - 35, and 38 - 47. The present amendments place the claims in better form for consideration on appeal by correcting errors in specifying the independent claim from which the amended dependents claims depend. These amendments do not materially affect the subject matter of the claims, with regard to the grounds of rejection set forth in the Final Action.

CONCLUSION

Entry of the present amendments is respectfully requested, to put the claims in better form for consideration on appeal. If the Examiner has any questions, the Examiner is invited to contact the undersigned at (512) 732-3917.

Respectfully submitted,
